15         {emoji} {name}
16       </h2>
17       {description}
18       <Button>Adopt {name}</Button>
19     </>
20   );
21 }
22
23 export default function App() {
24   return (
25     <main>
26       <h1>Animal Shelter</h1>
27       <p>Please adopt our lovely pets!</p>
28       <Animal emoji="🐶" name="Lucky" description={<p>A very cute puppy.</p>}>
29       <Animal
30         emoji="🐱"
31         name="Mittens"
32         description={<p>A very agile kitten.</p>}
33       />
34       <Animal
35         emoji="🐹"
36         name="Archibald"

```

Animal Shelter

Please adopt our lovely pets!

 **Lucky**

A very cute puppy.

Adopt Lucky

Mittens

A very agile kitten.

Adopt Mittens

 **Archibald**

Super relaxed turtle

- Eats lettuce all the time
- Can sleep in your fridge

Adopt Archibald

Chick Norris

A nested chick

Adopt Chick Norris

```
